Race & Ethnicity

Ethnicity and race information is NOT used in the admission decision process; however, colleges and universities are frequently called on by the federal government, college guides, and newspapers to describe the racial/ethnic backgrounds (in groupings, not individually) of applicants, students and employees. So UArts may best respond to these requests, please answer the following TWO questions:

Do you consider yourself to be Hispanic/Latino? Yes No

In addition, select one or more of the following racial categories to describe yourself:

- Black or African American
- American Indian or Alaska Native
- Asian
- Native Hawaiian or Pacific Islander
- White

Financial Aid/Housing

Plan to apply for Financial Aid: Yes No

An application for financial aid will have no effect on the decision concerning the admission of an applicant. The admission decision is made without having access to financial aid data.

- Plan to live in the dormitory
- Plan to seek off-campus housing
- Plan to commute

A choice that indicates you will be living in the dormitory does not guarantee housing. Housing is guaranteed until May 1 only.
